

# Artists Project

The Job Search Club of Châteauguay/Brossard, in collaboration with Emploi-Québec, adds a new program to the existing ones

This program has been designed especially for Artists and cultural workers in Montérégie.

The Artists Project offers you the possibility to:

- Restart your activity
- To transform it or to leave it
- Or simply to think about your future

Objectives:

We are proposing an active help with a personalised and respectful approach to:

- Help you analyze your current situation
- Identify the obstacles and any hindrances to the development of your career
- Explore with you many clear and realistic professional paths
- Create an action plan adapted to move your career forward
- All of this during efficient, confidential individual meetings

These following are at your availability to help you build a new professional project or reinvest in your current situation:

- Individual meetings
- Skills assessment
- Exploration
- Targeted research
- Documentation
- Brainstorming
- Advice

Evaluation Meeting
